

## Accessing MEND from your computer:

First you need to create an account at [www.portal.mendfamily.com](http://www.portal.mendfamily.com) - Enter your email that is on file with our practice, and then click "Forgot or Create Password":

Once you have completed the steps to create your password, please log in at [www.portal.mendfamily.com](http://www.portal.mendfamily.com).

You will see the below screen once you log in. You need to find your current visit, click on the "Actions" drop down, and choose "start visit". You will see your clinician as soon as they join the visit.
